ZONING WORKSHOP **March 22, 2021**

The Providence Township Board of Supervisors held a zoning workshop in the township municipal office on Monday, March 22, 2021 at 7:00 p.m. Present were Chairman J. Pepper Goslin, Vice Chairman John Schroeder, Member Lori Crossen, Manager Vicki Eldridge, Zoning Officer Heidi Martinez, Township Engineer Mark Deimler; Township Solicitor Melvin Newcomer and two (2) observers.

The meeting was called to order by Chairman Goslin at 7:00 P.M followed by the Pledge of Allegiance and a moment of silence.

ZONING BUSINESS

- Following a lengthy discussion regarding permitting accessory structures on undeveloped parcels, the board directed the zoning officer to reach out to other municipalities to see how they handle these situations.

COMPREHENSIVE PLAN

- Following a discussion regarding a review of the comprehensive plan, the supervisors feel their philosophy remains the same today as it was in 2008. The board directed the township manager to reach out to the township's county planner to get some updated population figures to see if we are still on target with our growth.

STORM WATER MANAGEMENT ORDINANCE

- Following a lengthy discussion regarding the storm water maintenance fund and BMP inspections, Mr. Deimler suggested that an engineer inspection be performed for years 1, 2, 5 and 10 with township staff performing the inspection for years 3, 4, and 8. The storm water maintenance fund estimate shall be increased annually by 8%, not 10%. Mr. Newcomer was directed to draft a Resolution to include these changes which may be adopted at the April Board of Supervisors Meeting.

ADJOURNMENT

- With no further business, Mr. Schroeder made a motion, seconded by Mr. Goslin, to adjourn the meeting at 8:45 p.m. The motion was carried unanimously.
