## **Providence Township Parks/Recreation Committee Meeting June 10, 2021 7:00**

The regular meeting of the Providence Township Parks/Recreation Committee was held in the township municipal office on Thursday, June 10, 2021 at 7:00 p.m. Present were Committee members Chris Harnish and Bill Musser. Also present were invited guests Scott & Mary Peiffer from Quarryville Borough, Mark & Beth Rudy and Szilvia Troutman from Eden Township. There was 1 (one) observer.

Mr. Rudy and Mrs. Troutman shared information pertaining to the construction of a pavilion in Eden Township. A grant from Susquehanna Riverlands was obtained. Contacts were Lori (DCNR) and Brandon Tennis (Lancaster County Conservancy). The township had to match 50% of the grant. This was done by donated labor and materials. Their particular structure was 24'x28' and cost approximately \$9,950.00. The pavilion can be reserved by calling the township office.

Mr. Peiffer gave an update on 2 (two) locations for accessing the trail from the borough. The 2 (two) options will hopefully be presented to Borough Council at their August meeting.

There was discussion on the Groff trailhead. Brian Longenecker has agreed to build another kiosk to be placed at the Groff trailhead. The exact location to be determined. There should also be an Enola Low Grade Trail sign at the Groff Trailhead. Mr. & Mrs. Peiffer have volunteered to donate towards the materials for this project.

Meeting adjourned 7:50
