Parks and Recreation Committee Meeting March 13, 2025 7:00 p.m.

The regular meeting of the Providence Township Parks and Recreation Committee Meeting was held in the township municipal office on Thursday, March 13, 2025, at 7:00 p.m. Those present were Township Manager Vicki Eldridge, Committee Members, Brian Longenecker, Sean Smith, Marla Davis, Chris Harnish, Roy Snyder, Warren Walter, Frank Voyner, Greg McCardell, and Roxanne Todd. There were four (4) observers.

The township manager opened the meeting at 7:00 p.m. Mrs. Eldridge gave an update on the trail corridor from Manor Township to Sadsbury Township.

At this time, Sean Smith discussed the Mountain Bike Park. The committee scheduled two days, March 29 and April 5, for the installation of a new kiosk for the Mountain Bike Park. Everyone is to meet at the East State Street Trailhead. At our May meeting we will plan a workday to beautify this area.

The township manager stated that Borough and Township Representatives along with George Smith of ELA (Borough's Engineering Firm) toured the Mountain Bike Park to inspect the work being done. They had no issues with the work and were pleased with how everything looked to date.

The township manager will check with the Quarryville Borough Zoning Officer to verify the items required by the Quarryville Borough Zoning Hearing Board's decision are met prior to opening the park. These items are emergency vehicle access and signage in the Meadowview Development.

Everyone in attendance was excited about the addition of the Mountain Bike Park.

With no other business to transact, the meeting was adjourned at 7:50 p.m.
