Parks and Recreation Committee Meeting September 11, 2025 7:00 p.m.

The regular meeting of the Providence Township Parks and Recreation Committee Meeting was held in the township municipal office on Thursday, September 11, 2025, at 7:00 p.m. Those present were Township Manager Vicki Eldridge, Committee Members, Brian Longenecker, Marla Davis, Lori Walter, Warren Walter and Bill Musser.

The Township Manager opened the meeting at 7:00 p.m. Mrs. Eldridge gave an update on the trail corridor from Manor Township to Sadsbury Township.

Mrs. Eldridge informed the committee that the board of supervisors approved the installation of a park bench in memory of long-time committee member Roy Snyder. The bench will be placed near the Sawmill Road area.

Mrs. Eldridge gave an overview of "The Local" Mountain Bike Park Grand Opening. The volunteers felt it was a great day. They also feel the park is an excellent asset to this area. Mrs. Eldridge also informed the committee that supervisors agreed to place a portable toilet at the Groff Trailhead permanently.

Wayne and Judy Sponseller painted over the graffiti that was painted on the Sawmill Road West Bridge.

Marla Davis would like to place and maintain a "Little Library" at the Fairview 1 Trailhead. She would cover the costs involved. The committee thought this was a fantastic idea.

Committee members asked if we can pursue some grant ideas to install a pavilion along the trail, possibly at Fairview 2 parking area. The township manager said she would look into some grants as time allows.

With no other business to transact, the meeting was adjourned at 7:50 p.m.
