Parks and Recreation Committee Meeting October 8, 2026 7:00 p.m.

The regular meeting of the Providence Township Parks and Recreation Committee Meeting was held in the township municipal office on Thursday, October 8, 2026, at 7:00 p.m. Those present were Township Manager Vicki Eldridge, Committee Members, Brian Longenecker, Marla Davis, Roxanne Todd, Lori Walter, Warren Walter and Bob Kaschak.

The Township Manager opened the meeting at 7:00 p.m. Mrs. Eldridge gave an update on the trail corridor from Manor Township to Sadsbury Township.

Mrs. Eldridge shared that the township would be applying for a 2027 Local Share Grant through PA DCED to place a new trail surface on the entire stoned portion of the trail and pave the trailhead areas. This grant would be awarded late in 2027. Martic and Conestoga Township did not wish to join us on this application.

Mrs. Eldridge shared that the board of supervisors have voted to allow only Class I, Electric Bikes on the Enola Low Grade Trail. They also voted to prohibit any electric bikes, motorcycles, scooters and unicycles in The Local Mountain Bike Park. This will take effect on January 1.

There were no other comments or items discussed. The next meeting will be held in April, 2027.

With no other business to transact, the meeting was adjourned at 7:45 p.m.
